

## Acts 14:19-28: The End of the First Journey

### • Four Overall Observations

1. Paul and Barnabas continue their work in L\_\_\_\_\_, a sub-region of G\_\_\_\_\_, and walk about sixty miles from Lystra to D\_\_\_\_\_.
2. Luke does not give details about the m\_\_\_\_\_ in Derbe except to say the g\_\_\_\_\_ was p\_\_\_\_\_ and many became d\_\_\_\_\_.
3. Paul and Barnabas r\_\_\_\_\_ their l\_\_\_\_\_ returning to Lystra, to Iconium, and to Antioch. They put God's w\_\_\_\_\_ and God's p\_\_\_\_\_ before their own personal c\_\_\_\_\_.
4. Luke again does not give details about w\_\_\_\_\_ done in Pisidia, Pamphylia, Perga (word spoken here), or Attalia as our missionaries r\_\_\_\_\_ home to A\_\_\_\_\_.

### • Four Ways to Strengthen Souls

1. E\_\_\_\_\_ F\_\_\_\_\_ (Mark 13:13, Hebrews 3:12-14, James 1:2-4 and 12)
2. E\_\_\_\_\_ T\_\_\_\_\_ (Matthew 16:24, II Corinthians 4:6-12)
3. A\_\_\_\_\_ E\_\_\_\_\_ - note p\_\_\_\_\_, note f\_\_\_\_\_ and p\_\_\_\_\_, note the need for o\_\_\_\_\_ who could s\_\_\_\_\_ the f\_\_\_\_\_ (Titus 1:5, Acts 20:17 and 28)
4. C\_\_\_\_\_ them to the L\_\_\_\_\_ (Acts 20:32)

### • Four Biblical Approaches to Missions

1. Missionaries should be s\_\_\_\_\_ by churches and held a\_\_\_\_\_ by churches.
2. Missionaries should w\_\_\_\_\_ in God's s\_\_\_\_\_.
3. Missionaries should give G\_\_\_\_\_ the g\_\_\_\_\_ for new c\_\_\_\_\_ (Acts 13:48).
4. Missionaries should spread the g\_\_\_\_\_ to all c\_\_\_\_\_ and e\_\_\_\_\_ groups (Galatians 3:28).
